PROGRAM  	<p>Preparation: Introduction of worktables for each team and rules of the game. Equipment provided such as baskets, knives, fruits and vegetables. Teams to go on a "treasure hunt" for ingredients hidden in Garden. Prepare all ingredients, including "secret" ingredient, washing, cutting chopping and dicing. Take turns and organize this within your allotted time slot, using all or some of your ingredients</p> <p>Blind Tasting: Challenge to identify products and ingredients.</p> <p>Cooking: Allocation of a Team Chef to ensure the cooking is completed within your allowed time, and to supervise the cleanliness of your table. The use of your secret ingredient in some way will give you extra points as you start to cook all your prepared ingredients.</p> <p>Presentation: Participants will serve and present their creation and its "special properties" and write the recipe. Creativity and communication are key in this phase. Judges will then give points on a variety of areas including originality, palatability and presentation and complexity. After the judging, teams can taste the other teams concoctions.</p> <p>Lunch/Dinner: Enjoy a great meal together!</p>
